DEDICATION

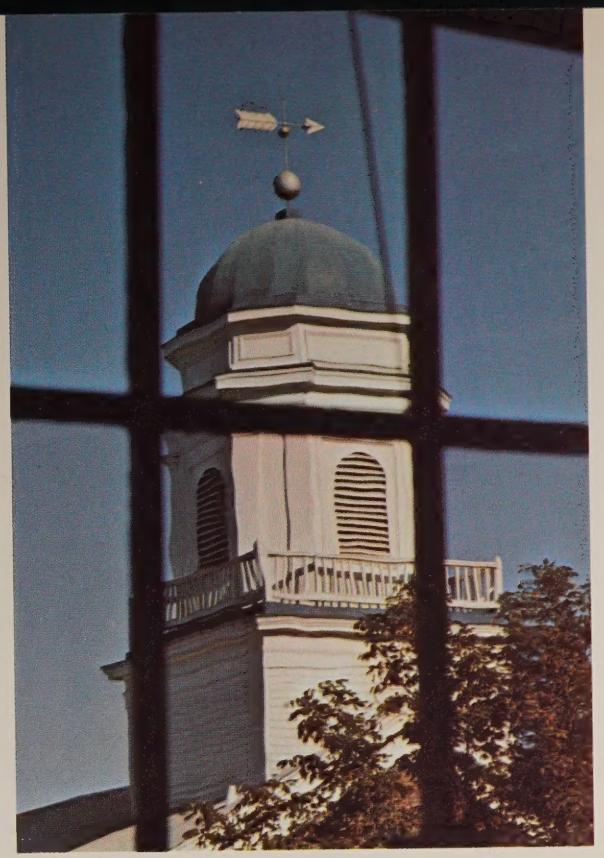

The Class of 1970 is proud to dedicate the 1969-70 WYOMING to Miss Helen L. Brown, teacher of English at Wyoming Seminary for forty-two years, and retired head of the English department. Her deep interest in her students, past and present, and her ability to spark interest and discussion will be long remembered. A dependable advisor with a warm smile, always available to help or just to talk, she was more than a teacher—she was a friend. Though we are sorry to see her leave, we feel privileged to have been influenced by her, and are grateful that she chose to spend her forty-two years here at Wyoming Seminary.

For a boarder, the highest privilege granted is that of a prefect, a position comparable to a dormitory policeman. There are seven girl prefects and six boy prefects.

The girls' Dormitory Council is representative of the dorm as a whole. Its members are elected in the spring in a democratic fashion. Marianne Curry is the president of the girls' Dormitory Council. The council is the responsible link between the girl boarders and the administration. The advisor is Mrs. Beatrice Brown.

The boys' Dormitory Council acts in the same respect. These boys operate the snack bar and are an integral part of the student government. Irving Rivera is president of the council and the advisor is Mr. George Herland.

The 1969 football team finished its season with a 7-0-0 record, the first undefeated, untied team in the school's history. The team amassed 206 points, while yielding its foes only 59. Only three lettermen returned as the season opened, but several seniors were waiting at the field to help the team in any way they could. There weren't only seniors waiting for the veterans of previous Seminary seasons, but a good number of underclassmen, hoping not only to help this year but also to help for the future. At the gate waiting for these boys were three gentlemen who unified this crew and instilled a desire for victory. These gentlemen were Coaches Antinnes, Alinikoff and Kersey, who guided the team to the history-making success that it enjoyed.

This year's team displayed an explosive offense that had been unseen at Sem for many years. The combination of rifle-arm Tim Grip and speedy Mike Blandina connected eighteen times for an average of thirty yards a pass. The most exciting of these passes came in the Mercersburg game when they got together for a ninety-five yard touchdown play which stunned the opposition. Both of these players were deadly runners not only from the line of scrimmage but also on kick-off and punt returns.

The running back chores were handled mainly by Kevin Hardiman, Bob Sama, and co-captain Gary Bushelli. All three of these men are small in size but big in determination and desire. Kevin was the big man up the middle as he was the team's leading rusher, and Bob was always dangerous on the end sweeps and became the second leading rusher. "Bush" was the handy man in the backfield as he was a competent rusher and receiver. The tight end chores were fulfilled satisfactorily by rugged Terry Byrd. Terry really displayed his talents in the last game of the year against Blair when he grabbed eight passes for a very successful day.

Other players gaining valuable game experience were Pat Kelly and Van Johnson at quarterback, John Mosca, Abe Floyd and Tom Person at wingback, Pete Davies at fullback, and Joe Ressa, Neville Shea, Donn Innes and Tom Barton at tailback.

Not all the glory should go to these people in the

backfield, as the offensive line should also be congratulated for a successful campaign. Tackles Carl Grivner and co-captain Jon Edwards opened many a hole for the speedy backs and big Jon always kept the spirit of the team running high. Paul Schmitt and Mark Ciocca, although they were small, were both adept at pulling and straight on blocking. Center Chuck Howland got every ball rolling with a good snap and then continued to block well, opening many holes up the middle.

Subbing for the Knights on the line were Rusty Flack, Bill Jaffe and Joe Pavia at tackles, Neil Rosenberg, John Ciocca, Mike Kolesar and Richard Ross at guards, and Paul Griesmer at center.

The Knights held their opponents to an average of 9.8 points a game. The defensive team was small, but its great desire to win overcame the lack of size. At defensive ends were Nils Barton and Terry Byrd, who were very good at stopping sweeps and covering passes in the flat. Tackles, Jon Edwards and Cary Grivner, and middle guards, Neil Rosenberg and Paul Schmitt, blocked up the middle well, and they sent many an opponent ball carrier talking to himself as he walked back to the huddle.

This year's linebackers were Kevin Hardiman, Paul Schmitt and Pat Kelly. This crew stopped plays well and successfully covered short passes. Playing in the secondary were Tim Grip, Bob Sama, Mike Blandina, Gary Bushelli and Tom Barton. These players picked off several opponents' aerials and brought some back all the way to paydirt.

Handling the punting chores for the team was Al Langrall. Al had a fine average of thirty-five yards a punt. Tim Grip added twenty extra points for the Knights and was also responsible for the kick-off duties.

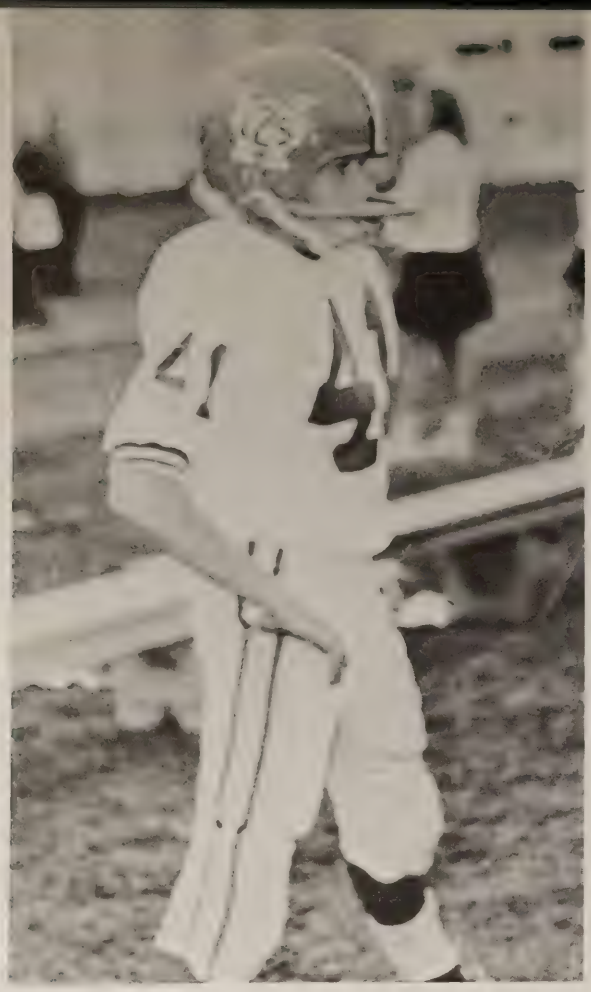

At the end of the year the team voted for this year's Most Valuable Player and next year's captains. The Most Valuable Player was leading scorer on the team, Big 33 quarterback, Tim Grip. Tim was not only an excellent player, but he was a good leader both on and off the field. Co-captains for the 1971 season are Nils Barton and Carl Grivner.

As for next year's team . . . it's hard to predict, as we don't know what new players may be coming. Even if no new members were to enter, the team would be successful since there is a large nucleus of returning lettermen.

The '69-70 Hockey Team will long be noted for its team effort and fantastic spirit. The Tigers played well together and had fun, too. The season ended with a record of 6 wins, 1 loss, and 1 tie, the sole defeat coming at the hands of Dallas.

The Tigers scored 25 goals against their opponents, allowing only 7 to be scored upon them. Sherry Kopko was high scorer for the Tigers with 12 goals. The forward line, Susie Funke, Roy Graham, Esther Gray, Jill Jeter, Carol Murray, and Jane Troup, executed tricky passes and amazing dodges as well as scoring goals. The defensive players sparked by Captain Rudolph, Most Valuable Player, protected the goal and baffled opponents with tackles and strategy.

The tremendaus team spirit was generated by the senior players. Many of the seniors: Marion Barnard, Ellen Brenton, Tina Graham, Jill Jeter, Sherry Kopko, Margot Meeks, Susy Rogers, and Cynthia Rudolph, Captain, have played hockey at Seminary for several years. Tigers tails, hockey shoes, bus trips, Coachie, and of course, the Tiger, have become a part of their lives here at Seminary. Next year's team will have 7 returning letter winners including Captain-elect Jane Troup.

JV Captain, Ellen Brenton and high scorer, Marilyn Weiss, led the Tigers "Kits" to a successful season. The "Kits" gained valuable experience as they won 5 games, lost 2, and tied 2.

Special credit goes to Miss Sandra Laidler, "Coachie". Her advice from the sidelines helped every member of the team and her enthusiasm was overwhelming.

The Wyoming Seminary soccer team completed its first season with a record of one win and three losses. Under the direction of Mr. Phillip Post, the team fell twice to a strong Benton squad, and once to the overpowering Hill team. However, the team rallied at Phelps Academy and came home with the school's first soccer victory. The second meeting with Phelps was called on account of rain.

During the course of the season, the team's front four were led by co-captain Jim Shepherd. The rest of the offensive thrust consisted of John Dickinson, Mark Myers, and Alan Klein. The powerful backfield consisted of Jim Calkins, Bob Rosenberg, co-captain Thom Price, Pete Rodgers, Ed Eyerman, Bill Humphrey, and Don Conyngham, goalie.

This year, along with their regular prep school games, the Wyoming Seminary Basketball Team entered the newly formed "B" Division of the Wyoming Valley League. This division consists of the smaller schools of the Valley. Seminary proved to be one of the powerhouses of the League. The Knights' record for both halves was 5 wins and 2 losses, with the losses coming at the hands of Dallas and Lake Lehman. This was good enough for a third place finish and the best Class "c" record in the league.

This year the team was well balanced. The Knights were led by Captain Gary Bushelli. Gary did a fine job of bringing the ball down the court and acting as playmaker. He also led the team in assists. The high scorer on the team was Dave Phillips. Dave averaged 24 points a game and was the leading scorer in Division "B" until he was side-lined with an injury. Carl Grivner was the man on the boards. He led the team in rebounds and always came through with good offense. Rounding out the starting line-up were Randy Gale and sophomore Sam Stettler. Randy was a valuable asset on both offense and defense, scoring many points and always managing to pull in rebounds. Sam came through with many clutch points and was second on the team in rebounds. The depth of the team was illustrated by the often changing line-up. Mike Flowers, Jack Evans, Ted Tihansky, Bob Klein, Phil Roth, and Mike Zinn filled in weak spots and were great support to the squad.

Next year's team should be even better. With only three varsity boys graduating, the team will have many experienced players returning, along with quite a few promising junior varsity players. Seminary should once again be a powerhouse in the League.

The 1969-1970 Girls' Swim Team acquired a new name and mascot this year. The "Seals" exhibited outstanding spirit and willingness to work throughout the entire season. The team was comprised of many new swimmers who were real assets to the team.

During the first meet of the year—the 200 Free Relay Team of Carol Weiss, Mary Ellen Boone, Ellen Brenton, and Captain Sherry Kopko broke the previous school record with a time of 158.9. Also, in the meet against Meyers, Sherry Kopko broke her own record in the 50 Free with a time of 27.5. The Individual Medley Record was broken by Sherry with a time of 112.9.

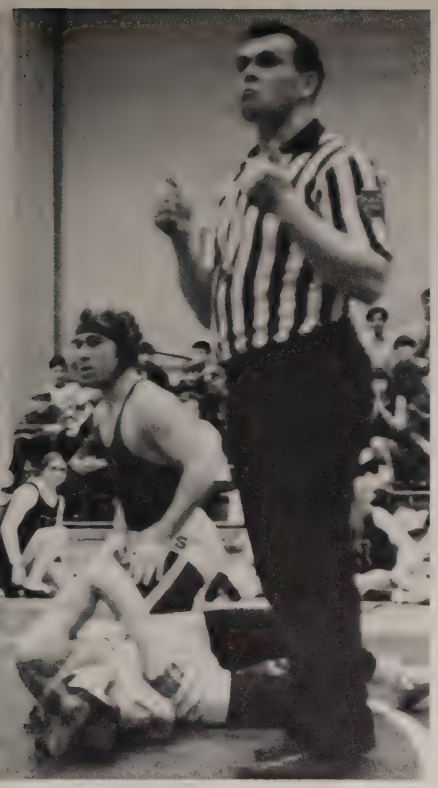

Each of the meets during the season was exciting because the competition in the Valley was great. With their spirit backed by endurance the Seals always made a good showing. The loss of twice-captain Sherry Kopko, diver Susy Rogers, and free-stylists Ellen Brenton and Barb Parente will be acutely felt next year but the returning swimmers will have profited from this year of experience under Coachie—Miss Sandra Laidler.

The 1969-70 wrestling team ended the season with a 6-6 record. Considering the fact that one weight was forfeited each match and three of the starters were first year men, the team made a fine showing. With the excellent coaching of Mr. Flick, the unexperienced team became a fine squad. Next year's team will miss the six graduating seniors: Captain Tom Demulder with an excellent record of 9-2, Dave Meeker with a 9-3 record, Corey Zimmerman with a 7-4 record, and the three first year men: Ethan Kurland, 7-5, Rick Hale, 8-4, and Irv Rivera, 8-3. Post-graduate Bob Sama, although limited to prep school competition, had a fine first year with a 3-win-1 loss record. Returning wrestlers for next year are John Pambianco, Paul Patterson, Abe Floyd, Tom Miller, Neville Shea, Bob Wentz, Bradley Piatt, Marc Ciocca, and Joe Pavia. Injuries plagued the team as both John Dickinson and Howard Graeffe were injured and lost to the team for the year in the first meet of the season against Dallas. Both boys are promising talents and should return for action next season.

The Girls' Basketball Team ended up with an overall record of 6 wins and 6 losses. This includes the league record of 3 wins and 5 losses, which is respectable for the girls' first year in the Wyoming Valley League, especially considering the team's plague of injuries.

This year would have to be considered as a year for re-building, as there are only four seniors on the varsity team. The 1969-1970 team points to the future with four returning lettermen, who saw quite a bit of varsity action this winter.

Leading the team in scoring this year was "Roy" Graham, an outstanding freshman, with many points. She was followed in the scoring column by Susie Funke, Captain Jill Bombe, Ellen Firestine, Bev Williams, and Cynthia Rudolph. Great performances under the boards were handed in by Arlene Troup, Cynthia Rudolph, and Marion Barnard.

The Blue Barons this year were under the able guidance of their new coach, Mrs. Judy Gilman. The girls owe a lot to Mrs. Gilman who instilled a great deal of enthusiasm and a great desire to win in the girls she coached.

The "Ironmen" of Sem, under Coach Kadel, had a successful season this year with a record of 10-5-0. The season started out at a slow pace with losses to strong teams from Vestal and Abington Heights. Sem came back to win their next seven league meets, but suffered losses from non-league teams, among them Binghamton Central and Blair Academy. The climax of the season came at the rival Meyers meet. It was Sem's chance to make a tie for first place in the league, but after a close hard-fought meet Sem had to accept third place, with a loss of only three points, 49-46.

The year was also filled with exciting individuals who accounted for five new school records and three new pool records. Devon Reiff, co-captain of the "Ironmen," was undefeated for the entire season and set four new pool records in the 200 Freestyle, 100 Freestyle, 400 Freestyle, and 100 Butterfly. The 400 Freestyle relay record was broken by the relay team of Kent Jones, Jim Alexander, Devon Reiff, and Don Murray, the "Ironmen's" other co-captain. Leading the scoring for the season was Devon Reiff, followed by Jim Alexander.

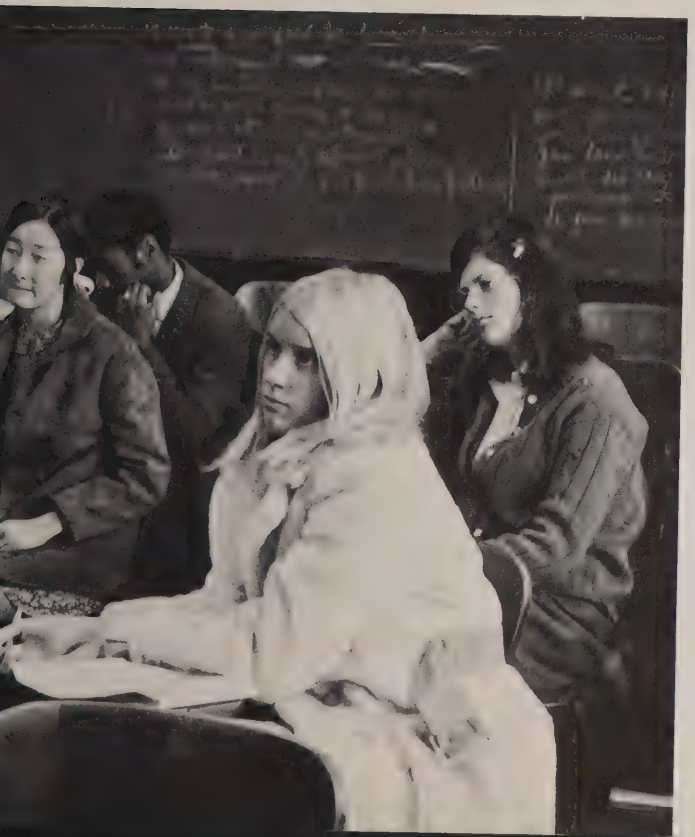

Most of what we, the graduating class of 1970 know, we have learned about in the 1960's. What things will we remember from these years? Will we remember the mistakes which led us into the tragic Southeast Asian war? Will it be remembered that the East and West agreed in Paris, on the shape of a table? Will we remember the smell of clean air or the taste of fresh water? Will we let history record that man littered the moon while millions starved? Did Spiro Agnew really have footprints in his mouth? Will we remember the bloody streets of Chicago, and the conspiracy of men who never met? Will we remember the horrible assassinations and violence that became so much a trademark of the sixties? Will we remember the Moratorium and the Civil Rights demonstrations? How about Joe Namath, Woodstock, and the World Champion New York Mets? Chances are that these things will be vaguely remembered, but most of us have not overconcerned ourselves with the outside world.

Maybe the everyday happenings at school are the things likely to be remembered. There was the undefeated football team led by Jon Edwards and Gary Bushelli. There were the baseball championships with Jack Monick and Irv Rivera. Bill's Gustatorial Emporium continued as a favorite pleasure spot. Mr. Light gave way to Mr. Lull & detention and the twenty-four hour list came into their own. The boarders continued to complain about the food, and all the boarder boys got their turns at being waiters. Societies remained at a level of base subsistence, while hair flourished. We saw the Deans changed, Sprague renovated, and a juke box installed in the Student Union. It was argued by some that the girls were girls and the boys were, too. It was advanced by others that the boys were boys and the girls were, too. Sherry Kopko was voted our Student Council President, and she led the cheering at most of the games. We had our usual share of merit scholars (a few of whom were said to be overrated). We witnessed the demise of the girls' day room and the construction of a student parking lot. The events will in time lose their meaning. What will remain will be the experiences we gained from our special friendships. Whether we worked here or managed to slide by, Wyoming Seminary has provided the background for an experience we shall never forget.
